

presents:

The Ins & Outs of the Family Support Division Processes!

Join us as we offer this wonderfully informative session at several locations across the state. Choose the date and location that best works for you! These sessions will be brought to you by Family Support Division regional personnel, to offer insight on the "how-to's" when it comes to filling out and submitting your Medicaid applications as well as follow-ups. Be sure to bring your social workers and staff to gain a better understanding of the process and be more informed!

Seminar Agenda (for each location):

1. Authorized representatives and access to information
2. Overview of FSD's nursing home specialization and offices
3. The MO HealthNet Application process
4. Annual Reviews
