ICD-10 CM Education for Long Term

Purpose: To provide participants with an understanding of what ICD-10 CM is and how to appropriately assign codes in ICD-10 CM.

Who Should Attend

This workshop is for long-term care staff, including nursing home administrators, MDS coordinators, medical records personnel, therapists, home health nurses and others who currently assign and/or use ICD-9 codes.

Objectives

1. Compare the differences between ICD-9 CM and ICD-10 CM.
2. Describe the structure of ICD-10 CM.
3. Identify the coding conventions and guidelines for ICD-10 CM.
4. Demonstrate how to appropriately select and sequence ICD-10 CM codes.

Agenda

Day One (8 A clock hours)

7:30 a.m.	Registration
8 a.m.	Introduction to ICD-10

5 p.m.	Adjourn

Day Two (8 A clock hours)

7:30 a.m.	Registration
8 a.m.	ICD-10 chapter specifics and coding exercises (continued)
10:15 a.m.	Break
10:30 a.m.	ICD-10 chapter specifics and coding exercises (continued)
12 – 1 p.m.	Lunch
1 p.m.	Coding exercises
2:30 p.m.	Break
2:45 p.m.	Coding exercises/coding workflow Considerations
5 p.m.	Adjourn

Speakers

Pam Scott, RHIT, CCS, Assistant Vice President, Coding Compliance and Classification Consultant, AHIMA Approved ICD-10 CM/PCS Trainer. Ms. Scott is the author of the First Class Solutions ICD-10 bootcamp and ICD-10 Physician Champion Prep course. Pam routinely leads and/or participates in coding compliance reviews. To assist clients with their ICD-10 preparation, she has conducted DRG shift analyses. Additionally, she is familiar with SNOMED.

She has served as a financial data manager, participated in quality and performance improvement programs, and has expertise in all types of inpatient and outpatient coding activities.

Pam also is experienced in tumor, myocardial infarction, and head and spinal cord injury registries. Ms. Scott has experience with alternative care facilities such as dialysis centers and long term hospitals, has provided on-site and off-site one-on-one training/oversight for new coders, and assists clients with inpatient and outpatient coding support.

Ms. Scott obtained her RHIT in 1990, has coursework in business, accounting, management training and nursing. She is a member of AHIMA, MoHIMA, and EMOHIMA. She has spoken on a variety of coding related topics.

Deanna Peterson, MHA, RHIA, CHPS, Assistant Vice President of Health Information Services for First Class Solutions, Inc. Deanna assists clients with documentation compliance, medical records policies and procedures, EHR implementation, legal health record definition, ICD-10 preparation and privacy issues. She has successfully implemented electronic signature, initiated a Clinical Documentation Improvement Program, participated in the selection process of EHRs and organized the outsourcing of transcription for multi-hospital systems. She currently assists several organizations with ICD-10 project management.

Deanna received her B.S. in Health Information Management and M.H.A. from Saint Louis University. She is a member of the Eastern Missouri, Missouri, and American Health Information Management Associations and is currently serving on the Privacy and Security Practice Council for AHIMA.

Bring your
ICD-10 CM book.

These books will
be used during a
class exercise.

Bring your ICD-10 CM book. You can check with the company you have ordered code books from in the past. Note: the final version of ICD-10 will not come out until closer to October 1. Therefore, the version you purchase will be a draft copy. If multiple people are attending from the same organization, it would be sufficient to share one book between 2 people.

Registration Information

Registration fee is \$325 per person and includes lunch and program materials.

Continuing Education

Participants must attend the program in its entirety to receive continuing education credit/certificate of attendance.

NHA: Approved for administrator hours by the Missouri Board of Nursing Home Administrators. TA #044-715.

RN and all other disciplines will receive a certificate of attendance.

Registration Information

Registration fee is \$325 per person and includes beverages, lunch, and program materials.

Make checks payable to Missouri League for Nursing and return them with the registration form to 604 Dix Road, Jefferson City, MO 65109. Payment by debit card, Discover, MasterCard, or VISA is available. We cannot bill. **Class size is limited, and registrations will be accepted on a first-come, first-served basis.** Participants paying with credit card also may register online at mlnmonursing.org.

There is a \$25 service charge on returned checks.

Onsite Registrations

Onsite registration is permitted only if space is available and on a first-come, first-served basis with payment.

Meeting Notes

Dress for the meeting is casual. Layered clothing is recommended for your comfort.

Cancellation/Refund Policy

For cancellations received in writing seven business days before the day of the program, a full refund – minus a \$25 processing fee per registrant – will be granted. Cancellations made after this date and nonattending registrants are responsible for the full registration fee. Substitutions are encouraged. We reserve the right to cancel this program because of insufficient registration.

ADA

If you have special needs addressed by the Americans With Disabilities Act, please contact the Missouri League for Nursing, 604 Dix Road, Jefferson City, MO 65109 or 573-635-5355.
