

When it comes to end-of-life care,
ONE conversation can make all the difference.

How do I let my family know what's
important to me?

you are invited to:

THE CONVERSATION PROJECT EVENT

September 29th, 2015

7pm to 9pm

at the

Ethical Society of St. Louis

**9001 Clayton Road
St. Louis, MO 63117**

- Learn how to communicate about what we want for ourselves *and* our family about end-of-life care.
- Learn how to facilitate conversations about advance care planning *before* there is a medical crisis.
- Learn how to talk about your values and what matters most to you in deciding what care *you* want.
- Learn about advance directives and surrogate decision-makers and how to *ensure* legally that you or a loved one's wishes for care are honored.

I need to think about the future. Will you help me?
