Coronavirus Disease 2019 (COVID-19)

In-Person Visitation Aids Request

Instructions

The Centers for Medicare & Medicaid Services (CMS) has issued guidance for Nursing Home Visitation – COVID-19.¹ By following a person-centered approach and adhering to the core principles of COVID-19 infection prevention, visitation can occur safely based on this guidance. Recognizing that considerations allowing for visitation in each phase of re-opening may be difficult for residents and their families, CMS has developed this application template for requests for the use of Civil Money Penalty (CMP) Reinvestment funds to provide nursing homes with in-person visitation aids.

Funding for tents and plexiglass (or similar product), **are limited to a maximum of \$3,000 per facility**. Note, when installing tents, facilities must ensure appropriate Life Safety Code (LSC) requirements found at 42 CFR 483.90 are met, unless waived under the PHE declaration.

Applicants shall submit this CMP Reinvestment Application to the applicable state agency (SA). The SA shall make a determination on the potential of the project to benefit nursing home residents and improve their quality of care and quality of life. The applicant will be notified by the SA about a funding decision, and applicants may contact the applicable SA with questions about their CMP Reinvestment Application.
