

The Department of Mental Health's Office of Disaster Services is offering:

PSYCHOLOGICAL FIRST AID TRAINING

Psychological First Aid (PFA) is an evidence-informed modular approach to help individuals of all ages in the immediate aftermath of disaster and terrorism.

PFA was developed by the National Child Traumatic Stress Network and the National Center for PTSD, with contributions from individuals involved in disaster research and response.

One offering in two-half days:

Monday, February 8th, 2020 from 1pm to 4pm

Wednesday, February 10th, 2020 from 1pm to 4pm

You must attend both days in order to receive certification of the training.
