

COVID-19 Vaccine What to Expect

Your trusted immunizer

Our patients have given us a consistently high satisfaction rating for our expertise, courtesy and friendliness throughout the Walgreens vaccination experience.¹ Since 2010, we've administered 60 million immunizations. And today, we continue to pave the way for pharmacy immunization services and more — rest assured, you're in great hands.

Keeping you healthy, safely

With Walgreens, your safety always comes first. We're thoroughly following the CDC recommendation for social distancing and PPE. Here's what you can expect to do when getting your vaccine:

- View vaccine safety information
- Complete applicable paperwork
- Participate in eligibility screening
- Receive your vaccination
- Take part in a 15-minute safety observation following your vaccination

Personalized care for the best experience

Going the extra mile to get you the best possible care

We're extensively training over 75,000+ seasoned pharmacists and technicians to become COVID-19 specialists. With their specialized COVID-19 expertise combined with 10+ years of immunization experience, they are able to provide the highest quality care to you and your loved ones.

Working together with your facility to accommodate your needs

Our close relationship with your facility allows us to understand and tailor our care to your specific needs. We'll stay connected with staff on your schedule and any special accommodations to help you easily — and safely — get what you need.

Your questions answered

Walgreens is gathering the latest insights about COVID-19 vaccine safety and effectiveness, and common questions from our patients, all in one place.
